

Lawn Care & Water In Kansas

March 6, 13, 20, 27, and April 3, 2012

5:30-7:00 p.m.

Sedgwick County Extension Center, Sunflower Room
21st St. N & Ridge Road, Wichita, KS

REGISTRATION INFORMATION:

Cost: \$5 for the entire series

Deadline: March 5, 2012

Register Online at 2012lawnwater.eventbrite.com

Or by calling 316-660-0100

March 6—Basic Lawn Care

Learn the basics of lawn care and how to have a green lawn with minimum inputs.

March 13—Lawn Problems

This class will troubleshoot common Kansas lawn problems: weeds, insects, diseases, and other problems.

March 20—Efficient Lawn Watering

This class will cover knowing how much water your lawn needs, when to water, and more!

March 27—The Neighborhood Pond & Your Lawn

Learn to solve pond problems such as algae, erosion, or geese!

April 3—Tips & Tricks for Irrigation Systems (Hands-On!)

The final class will go outdoors and look at common problems with irrigation systems.
